Area of Greatest Need

Four shuttles transport patients to chemotherapy, their doctors' offices and other hospital treatments. We also provide a patient food pantry, free medication, medical devices and health screenings for under-resourced patients.

Peter G. Ellis Oncology Fund

We provide grocery store gift cards for prescription and gas, assistance with emergency room visit bills, payment of utility bills for patients who cannot afford them, assistance with physical therapy bills, and transportation to chemotherapy for patients unable to drive

Employee Experience Council Fund

Funds to support employee related programs and events

Employee Emergency Fund

This supports our valued employees in during a pandemic, natural disaster, fire, or acute medical illness. Also eligible are employees who have received a shut off or eviction notice from a utility company, a mortgage company or landlord or are two months behind on these bills. Funeral and travel expenses for the death of a spouse, child, or parent are also covered.

School of Nursing Fund

Most students in the St. Margaret School of Nursing are adult students who are trying to launch a second career. Many have children and can barely keep up with their studies, work and family. Help them with books, certification fees, and scholarships with a donation to this fund.

The Rod Rutkowski Bed Fund

This serves as an emergency fund for under-resourced patients for medical equipment, prescription medication, transportation, interpreters, temporary nursing care, etc.

Nursing Recognition Fund

Funds for nursing professional development and recognition

Family Health Centers Fund

St. Margaret has three family health centers in the under-resourced communities of Lawrenceville, Bloomfield Garfield and New Kensington where the Foundation helps with transportation to appointments, medication, Medication Assisted Treatment for opioid addiction, medical devices, behavioral health services and more.
