

*This year, help make
the holidays a little
brighter for a patient
at UPMC St. Margaret.*

Throughout December, over one thousand patients at St. Margaret are in the hospital over the holiday season instead of at home baking cookies, decorating their homes, and enjoying their families. Imagine yourself or a loved one spending the holidays in a hospital bed recovering from a surgery or illness. As we approach the holiday season, St. Margaret Foundation invites you to help brighten the holidays for the patients of St. Margaret Hospital who are eclipsed by fear and concern. Through our *Poinsettias for Patients* and *Doves of Hope* program, your gift will help patients and their families enjoy the spirit of the holidays while they are in our care and away from the familiar surroundings of home.

FOUNDATION

Poinsettias for Patients & Doves of Hope

Poinsettias for Patients

A poinsettia will be delivered to patients admitted to UPMC St. Margaret during the month of December for a donation of \$35. Smiling volunteers and Foundation staff will deliver the flowers, even on Christmas Day.

Our goal is to deliver a poinsettia to every patient who is in the hospital in December.

Doves of Hope

A dove ornament may be hung in memory of your loved one on the 'Doves of Hope' Tree in the Courtyard of St. Margaret Hospital for a donation of \$35. The tree and a menorah will be lit for patients and families to enjoy throughout the season. **You can even personalize the ornament in honor or memory of your loved one.**

*Turtledoves can soothe the soul,
Or ease a troubled mind.
So when it comes to the Holidays
This bird's a treasured find.*

*It renews our faith and spirit,
And gives blessings throughout the year,
So the turtledove is a symbol
That love is always near.*
