## WHAT EMPLOYEE DONORS ARE SAYING

"I donate to St. Margaret Foundation because of all the wonderful things they do. Every dollar donated helps people in my community and the friends I work with every day. Donating to the Foundation is an easy way for me to help others that I may not have had the opportunity to help." - Danita Novak, Practice Manager, Pain Management, Cardiothoracic and Vascular Surgery Clinics

"I chose to be a member of St. Margaret Foundation because I feel it is a wonderful organization that provides numerous services to patients who are going through hardships in their life. Personally and professionally I have seen how this Foundation puts first the patients, community, St. Margaret employees and their members who help make the foundation possible and I'm proud to be a part of it." - Cynthia Likar, Physician Assistant
