Children Deliver Handmade Ornaments to Patients

Students from the third and fourth grade class of Christ the Divine Teacher Catholic Academy in Aspinwall walked over to UPMC St. Margaret Hospital this winter to help decorate the courtyard with their handmade Christmas ornaments. They waved to the patients and sang holiday carols. The children also delivered cards to the patients.

Students from Christ the Divine Teacher Catholic Academy in Aspinwall bring ornaments to the hospital.

“Patients tell us that to receive a card from a child or see the handmade ornaments on our lobby Christmas tree makes them smile and reminds them of fond holiday memories,” said Foundation President Mary Lee Gannon.

The children received candy-canes, many of them asking to leave their candy-cane for a patient.

St. Margaret Foundation Provided Gifts for Patients in the Hospital over Holidays

St. Margaret Foundation put together holiday gifts for patients who were in the hospital on Thanksgiving and Christmas. Between both holidays, more than 260 patients spent the day away from their families. This gift was a small way to help bring them comfort. Each organza bag had a holiday votive with an LED candle and a special holiday greeting. In

addition to the Thanksgiving and Christmas gifts, every woman in the hospital on Mother’s Day received a rose and a card. Thank you to volunteer **Maria Silvaggio** for putting the Thanksgiving and Christmas gifts together. Through the support of our donors, we bring holiday cheer to patients—because when you’re with us, you’re with family.

THE IMPACT REPORT

Spring 2022 Donor Report

Register Today for the Brian Demchak Hope Challenge on May 15—21, 2022

Join us as we run, bike, walk, swim or play for those who can't during the 2022 Brian Demchak Hope Challenge, presented by PNC. This virtual event will take place May 15th through May 21st, 2022. Participate **your way** this spring—choose your own route, dance routine, sport, or exercise equipment to complete the virtual challenge any time during the week.

Every participant will receive a race t-shirt and a finisher’s medal. You can also help meet this year’s goal by creating an online fundraising page — raise \$50 and your race registration is FREE! If you raise \$100, you will receive a St. Margaret Foundation cooler backpack! Turn to page 2 to see photos.

When you support the Brian Demchak Hope Challenge, you are helping to ease the uncertainty patients experience during the most compromised time of their life. Our patients tell us that illness is scary enough without the worry of transportation to their treatment or if they can get what they need to heal, stay well, and remain self-sufficient in their homes. Your help matters—you become the friend who fills in the gaps with hope, healing, and independence for our patients.

(continued on page 2)

Letter from the President

As the pandemic continues we are struck by patient weariness, employee exhaustion, and the challenges from traveling nursing agencies. Last year and two years ago our staff were working tirelessly while the community brought flowers, lunch, and gifts to our employees every day. This year the world is tired of the pandemic and just wants to move on. Yet people are still sick and our employees are working harder than ever because traveling staffing agencies, who don’t have to fulfill the same regulatory requirements as hospitals, have lured some of them away with inflated pay.

What’s Inside

St. Margaret is a family. Those employees who are dedicated to our patients we hold close and deeply value. That is why St. Margaret Foundation helps employees in crisis with the Employee Emergency Fund and other efforts throughout the year.

In this issue you will see how your donations help our patients not only have hope but heal and remain independent. Additionally, you remind our employees that they matter because this community needs their talent and kind hearts especially in time of crisis. Thank you for being a big part of our hospital and Foundation family.

Your help matters

It's been a long winter. Our staff is tired. The pandemic has worn us and our patients down. We wonder if this will ever end.

St. Margaret Foundation was recently called to remember how important the work we do is despite everything going on around us. In this photo are seven checks that needed to be mailed to help people in crisis. In one day alone here is who was helped because of your generosity and that of our donors to St. Margaret Foundation:

- Four patients newly diagnosed with cancer who could not afford cell phones were granted portable cell phones to coordinate imminent surgery, radiation, chemotherapy, doctors' visits, nurse check-in calls, and other follow up treatment.
- Two past due water bills for patients who were unable to work due to cancer treatment and whose water bills had risen to the shut-off level.

- A portable indoor heater for a patient with cancer who does not have electricity in their home.
- A past due gas bill for a patient who has not been able to work due to cancer surgery and treatment.
- A past due electric bill for a patient with cancer.

ST. MARGARET FOUNDATION

Your 2021 Donor Impact

Thanks to your support, St. Margaret Foundation helps patients with essential needs not covered by insurance that are necessary to heal, remain independent and have hope.

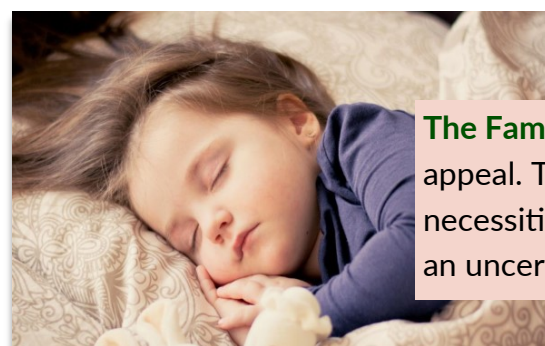

The **Peter G. Ellis Oncology Fund** provided \$21,529.55 in medications, transportation, housing expenses, groceries, and other needs to **59 patients** struggling with cancer.

More than \$291,080 was granted for **four free shuttles** to provide over 5,000 rides for patients. \$45,000 was granted for **complimentary valet services** to assist over 14,000 patients with disabilities.

The **Rod Rutkowski Bed Fund** provided \$61,793.69 in assistance for **1,309 ill patients** in need of medication, clothing, medical equipment, transportation to treatment and other daily necessities.

More than \$18,238 was granted to fund a **Community Immunization Program** and **Free Health Screenings** for under-resourced communities, providing safe access to vaccines for the flu and COVID-19 to neighbors in need.

The **Family Emergency Fund** was established, raising over \$14,000 in its first appeal. This fund provides assistance with food, transportation, and home necessities to those who need it most as they support their loved one during an uncertain time.

Your Generosity at Work

St. Margaret Foundation announces \$725,688.88 in grants for 2022 that are in alignment with the organization’s strategic priorities of **patient access, patient education, and patient experience.**

2021 Financial Highlights

The St. Margaret Foundation Board of Directors and staff strive to maintain the highest level of financial responsibility. The Foundation is audited annually by Maher Duessel to ensure your confidence. Our 2021 audit is not yet complete, so below is a preliminary unofficial report from the auditors.

Revenue	\$5,480,513
Expenses	\$467,031
Assets.....	\$33,318,190

St. Margaret Employee Campaign Surpassed \$150,000

We are in awe of our superhero employees who give their time, talent, and resources to support patients and colleagues. The 2021 St. Margaret Employee Campaign broke records, surpassing the goal of \$145,000 to raise \$151,023.18.

Jennifer Hicks, Nursing Education

Local Event Raises Funds for Martha Mack Lewis Health Information Library

On October 21, 2021, the second annual Battle of the Books was held at the Fox Chapel Racquet Club. This year, the organizers of the event designated all proceeds to The Martha Mack Lewis Health Information Library at St. Margaret Hospital. Readers gathered across 35 teams to answer questions about six books—reading ahead is required to win this competitive event!

Thank you to **Julie Rost** at **Berkshire Hathaway**, **Sitko Bruno**, **RuBee Enterprises**, and **Ankle and Foot Care** for sponsoring the event, and to White Whale Bookstore for donating proceeds from the sale of the event’s book bundles to The Martha Mack Lewis Health Information Library.

The library is a unique hospital resource that serves over 2,000 people annually. Patients, families, and community members often need access to reliable, digestible information to prevent or manage health conditions. The library provides computer work stations, fax machines, phone chargers, health information booklets, videos, games, and a meeting space to help patients and families feel at home during a vulnerable time in their lives.

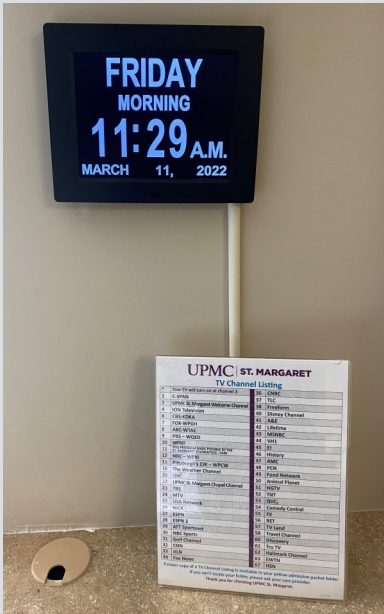

Interested in making St. Margaret Foundation the beneficiary of your fundraising event? Contact our office at (412) 784–4205 for more information.

Grants Highlight: Digital Clocks for Patient Rooms and TV Guide Stands for Patient Rooms

Many patients and families struggle when facing prolonged hospitalization. Patients suffer from disorientation and anxiety after being removed from their regular environment and routine. Digital clocks and up-to-date TV guides help patients and families maintain normalcy and stay connected to the outside world amidst their health crisis.

DONOR SPOTLIGHT: GAIL BIESER

What kind of work did you do prior to retirement?

After two years of college and two small children, I chose to use my creative talents and become a graphic designer. I loved going in to work every day and create!

How did you get involved with volunteering at the hospital?

I decided to volunteer after a life-changing event. My husband and I were new to the Fox Chapel area and days after our move, he was admitted to St. Margaret, a hospital we knew nothing about. We realized quickly that we were in a place with experienced surgeons, doctors, and nurses. I can’t say enough about the help we received during those difficult days. After my hus-

band’s passing, I wanted to give back to St. Margaret and decided to volunteer ... it was a place where I felt safe and I could empathize with those in their difficult situations.

How did you learn about the Foundation?

I believe I learned about the Foundation while volunteering. Fortunately, I did not need the help the Foundation provided but I knew that whatever I could do to support the hospital was important to me.

Why is supporting the Foundation important to you?

Supporting the Foundation is important to me because, as a volunteer, I see people struggling. Little things can bring a smile to someone’s face, a kind word, a hug, letting them

know you care. The Foundation does that with thoughtful gifts throughout the year but more importantly they offer much needed help with transportation, medical supplies, etc.

What is your favorite part about volunteering at the hospital?

My favorite part about volunteering is meeting the patients and family members. They arrive at St. Margaret anxious for their upcoming surgeries and if I can ease their minds, we both feel good. I have become friends with recurring surgery patients through the years; it

feels like a family reunion each time we meet!

Is there something the Foundation supports that resonates with you in particular?

I appreciate the support the Foundation gives to their employees through the Employee Emergency Fund. I have seen firsthand how kind, caring and hardworking they are, during my personal hospital stays and in working alongside them in the ASU. It is good to know if employees are in need of help, the Foundation is there for them.

New Family Emergency Fund Helps Make a Dream Come True

Thanks to the efforts of our UPMC St. Margaret staff, **Chaz Wilbourn** and **Amanda Gould** celebrated their wedding in front of Chaz's mother in the UPMC St. Margaret Chapel, with Chaz's friend, **Pastor Jerry Jefferson**, presiding.

The New Kensington couple had planned to get married in January, but when Chaz's mother became ill and was admitted to UPMC St. Margaret, their plans changed. Chaz first approached **Baliegh Cannistraci**, senior social worker, and asked if it would be possible to have the wedding in his mother's room. Realizing how much it would mean for Chaz to get married with his mother in attendance, Baliegh got approval to hold the ceremony in the hospital.

Chaz himself spent almost 38 days in UPMC St. Margaret and UPMC Presbyterian earlier in the year, suffering from congestive heart failure. "It's wild I was able to be married at the hospital," Chaz said. "To come full circle and to get married here, they made a dream come true allowing me to have a wedding with my mother in attendance."

The **Auxiliary of St. Margaret Foundation** graciously approved use of the Chapel for the event. The Hospitalist team cleared the patient to leave the unit and attend the ceremony. Flowers were provided by the **St. Margaret Foundation's Family Emergency Fund** and a donation by **Burke & Haas Always in Bloom** floral shop.

Newlyweds **Chaz Wilbourn** and **Amanda Gould** with Chaz's mother, **Ajeana Schuler**

Sponsor Spotlight: PMCentersUSA and ConsultUSA

When **Mark Balish**, president of IT staffing and project management solutions companies ConsultUSA and PMCentersUSA located in RIDC Park, saw there was an event supporting patients in memory of his childhood friend Brian Demchak, he wanted to get his team involved. Mark grew up in the Fox Chapel area. He and his wife June were high school friends with the Demchak family. Mark ran the 1990 Pittsburgh Marathon (Brian's First Marathon) and the 1991 Marathon with Brian and his mother. Mark recalls, "To this day, my memory of seeing Brian and his mom in Shadyside running the 26.2 mile race brings back a flood of emotions -- a demonstration of how much love and support was shared between Brian and his family." Brian, a former patient at UPMC St. Margaret, passed away in 2016 at the age of 57. Brian and his mother, Tina Demchak, were regular participants in the St. Margaret Foundation 5K, now named the Brian Demchak Hope Challenge.

Company Partner and Sales Manager **Dianne Lutz** has been with the company since its inception in 1997 and is also a Fox Chapel High School alumni. "St. Margaret has always been 'the hospital,'" she said in a recent interview. She said that ConsultUSA and PMCentersUSA were honored to support UPMC St. Margaret because the hospital is the cornerstone of the community.

ConsultUSA and PMCentersUSA appreciated the chance to participate in the Brian Demchak Hope Challenge "Your way!" Mr. Balish walked with others at O'Hara Township Community Park while the portion of his team that worked remotely enjoyed walking outside or on treadmills and using home equipment to participate. To add to the fun, Team members and Mr. Balish compared their Fitbit steps throughout the Challenge. The companies were Gold Sponsors of the event.

Mark Balish, President and founder of PMCentersUSA/ConsultUSA and staff

Celebrating our Healthcare Heroes

In March 2022, St. Margaret Foundation partnered with the St. Margaret Human Resources department to show our community's support of our hospital team by creating Halls of Thanks throughout UPMC St. Margaret.

It's been two years since the world came to a halt in the face of a pandemic. Two years of change, uncertainty, and upheaval in our personal and professional lives. As we navigate our return to normalcy, we continue to celebrate those who make it possible - our heroes in healthcare.

We clapped for them, banged pots and pans each night, brought meals to hospitals and donated supplies, embracing them as a community as they faced wave after wave of COVID-19 outbreaks. While the fight is not over, we are called to adapt to this new version of life - while not forgetting those whose bravery and commitment paved the way. Our friends and neighbors left comments of appreciation, encouragement, or gratitude to decorate the halls with uplifting messages for the healthcare heroes who show up and put it all on the line every day.

Posters and messages from the community and students from Christ the Divine Teacher Catholic Academy in Aspinwall are hung in St. Margaret hallways.

St. Margaret Employees Enjoy Sweet Treats on Valentine's Day

For many of us, Valentine's Day is a day full of love and celebration. For some, the beauty of the day can be lost—perhaps they are missing a loved one who has passed on, or perhaps they are sacrificing time with their loved ones to care for our most vulnerable friends and neighbors.

This year, St. Margaret Foundation celebrated Valentine's Day by handing out more than 1,900 packages of Sarris' chocolate covered pretzel rods to all the employees of St. Margaret. Thanks to the generosity of our donors, the Foundation was proud to honor our hard-working staff with a small token of appreciation for their dedication, sacrifice, and compassionate care.

Top (from left to right) School of Nursing students **Deb McCurdy**, **Emma Doult**, **Nick Casile**, **Justi Naccarato**, **Jenna Alexander**, and Instructor **Nora Evans**

Program Highlight:
Poinsettias for Patients

Each year, support from generous donors makes the Poinsettias for Patients program possible. The goal of this program is to deliver a poinsettia to every patient who is in the hospital in December. This year, our donors broke records, raising over \$10,000 to brighten the lives of the over 1,000 patients who were in the hospital in December. Thank you for making a difference in the lives of those who need it most during the holiday season.

Dear members of the St. Margaret Foundation,

My husband and I thank you for the beautiful poinsettias you delivered to his room at St. Margaret's. Your efforts do make a difference! Having an above-the-knee amputation and the subsequent PT for a leg prosthesis is challenging. Your flowers bring light to that challenge.

Top: A poinsettia for a patient in the hospital in the December.

Middle : Note from a grateful patient—text can be found to the left.

Leave a Legacy

Make a lasting memory by mentioning St. Margaret Foundation in an obituary, by leaving a legacy gift in your will, or by transferring appreciated stock.

ST. MARGARET
FOUNDATION

Memorialize a Loved One in the Obituary

You may honor the memory of a loved one who has passed away by mentioning St. Margaret Foundation in their obituary.

“In lieu of flowers, gifts may be made to St. Margaret Foundation, 815 Freeport Road, Pittsburgh, PA 15215 or online at www.stmargaretfoundation.org”

The Legacy Society

Donors designating St. Margaret Foundation in their estate plans are recognized as members of The Legacy Society. Here is sample language for your will:

“I give the sum of \$_____ [or _____% of the residue of my estate] [or describe the real or personal property] to St. Margaret Foundation, 815 Freeport Road, Pittsburgh, PA 15215.”

Retirement Plans, IRAs, CDs, Life Insurance, and Stocks

If you name St. Margaret Foundation as a beneficiary of your IRA or Life Insurance Policy, the Foundation would receive the full amount, tax-free. Conversely, if your IRA or life insurance is left to family members, the distribution is subject to taxes. Consider donating appreciated assets such as stocks and avoid capital gains tax on the appreciation. You may also make a charitable gift from your IRA required minimum distribution if you are 70 ½ years or older and secure tax benefits.
