## WHAT EMPLOYEE DONORS ARE SAYING

"I support the Foundation because it's not only for our patients, it's for our employees as well. They have outreach in our hometown— I live in Sharpsburg and they helped our families when we had flooding issues. They also support the New Kensington Family Health Center, and they help our patients right here on campus." - **Liz Skowronski**, Supervisor, Patient Access

"I support St. Margaret Foundation and have since day one of my employment because I feel that I've had many blessings in my and I want to give back in some way. This is a great way because they always meet the needs of people in the community as well as the hospital family."  
- **Kay Tomb**, Registered Nurse, GI Lab

"The St. Margaret Foundation is a wonderful thing to give to. I give to charities for the benefit of people in great need – whether it be employees, people coming to our hospital, patients and their families. I would encourage you to do your best to give to the Foundation."  
- **Cindy Arnold**, Nurse Manager, Pain Management and Vascular Thoracic Surgery
